Re: Docket No. UE-160071 & UG-160072 – Avista Utilities Q1 2019 Fee-Free Payment Program Report

Dear Mr. Johnson,

Attached for filing with the Commission is an electronic copy of Avista Corporation’s, dba Avista Utilities (“Avista” or “the Company”) Q1 2019 Fee-Free Payment Program Report.

On March 24, 2016 the Commission issued Order 01 in Docket UE-160071 and UG-160072 approving Avista’s petition for an order authorizing accounting and ratemaking treatment of its residential fee-free payment program. In its petition, the Company sought to defer the costs associated with offering the fee-free payment for up to 36 months from the time the program went into effect. The fee-free payment program was successfully launched on February 19, 2017.

In its petition, the Company agreed to provide updates to the Commission every three months on the program’s progress. For purposes of reporting, the Company will be providing updates that coincide with the quarters of the calendar year.

Avista's residential fee-free payment program encompasses previous methods of payments that were assessed a fee or not available. The program includes the following payment methods and channels:

- Credit and debit card payments made through a Customer Service Representative (CSR), through the Company's Integrated Voice Recognition (IVR) system, through its website as a one-time guest payment, through its website as an authenticated user, and for Automatic Payment Service (APS) payments.
- Automated Clearing House (ACH) payments made through a CSR, through the Company's IVR system, and through its website as a one-time guest payment.

Prior to the launch of the program, customers could make payments free of charge by ACH when making an electronic payment through the Company's website as an authenticated user, or when signed up for APS payments, in which payments are automatically deducted from their checking or savings account. Also, prior to the launch of the program APS payments were limited to only ACH payment methods.
