RE: *In the Matter of the Application of Americam Movers LLC for a Permit to Operate as a Motor Carrier of Household Goods – Docket TV-190858*

Dear Ms. Maxwell:

On May 18, 2022, the Washington Utilities and Transportation Commission (Commission) issued Order 02, Extending Provisional Period in Docket TV-190858. Order 02 extended Americam Movers LLC's, (Americam or Company) application for provisional household goods operating authority for good cause, to allow the Company to demonstrate compliance with Order 01, by completing a random alcohol test.

On October 13, 2022, Commission staff (Staff) completed a focused review of Americam's random testing program and determined that the Company has complied with the random testing requirements.

Staff finds that Americam has satisfied the conditions of Order 01 and the conditions for permanent household goods moving authority.

If you have any questions, please contact Jason Sharp, Motor Carrier Safety Supervisor, Transportation Safety at jason.sharp@utc.wa.gov or at (360) 701-1603.

Sincerely,

Mathew Perkinson
Assistant Director, Transportation Safety
