RE: UE-190882—Resubmission of Testimony and Exhibits with Updated Confidentiality Designations

As requested by Judge O’Connell at the evidentiary hearing held on February 14, 2020, PacifiCorp dba Pacific Power & Light Company submits the enclosed revised testimony and exhibits to clarify the record with updated confidentiality designations. Consistent with the information provided at the hearing, PacifiCorp re-designated the sections listed below as non-confidential to better facilitate the hearing. The italicized portions below were marked as company confidential, and PacifiCorp has identified that information as likely non-confidential.

the information is appropriately company-confidential. Company-confidential testimony and exhibits are provided to the Commission in accordance with WAC 480-07-160. The company confidential testimony and exhibits include valuable commercial information, specifically information related to the internal operational details of generating facilities. Disclosure of such information would harm Pacific Power and other third-party co-owners of the Colstrip generating facility by making operational details and decision-making procedures available to suppliers and competitors.
