**APPLICABILITY:**

This Electric Energy Cost Surcharge shall apply, subject to refund, to the rate for electric energy delivered to customers on and after the effective date of this schedule. This adjustment shall be made for all electrical energy purchased by retail customers, except for customers taking service under Schedules 448 or 449 or customers taking service under special contracts.

**RATE ADJUSTMENT:**

The resulting rates will be applied over the remainder of the recovery period, November 1, 2002 through October 31, 2003.
