RE: *Washington Utilities and Transportation Commission v. Murrey's Disposal Company, Inc.
d/b/a Olympic Disposal,
Docket TG-230778*

TO ALL PARTIES:

On November 1, 2024, the Washington Utilities and Transportation Commission (Commission) entered Order 08 (Order or Order 08) in the above referenced docket. The Order rejected the tariff sheets filed by Murrey's Disposal Company, Inc. d/b/a Olympic Disposal (Olympic Disposal or Company) on September 15, 2023, as revised on December 1, 2023. Order 08 authorized and required Olympic Disposal to file revised costs associated with the proceeding and submit revised tariff pages.

On November 26, 2024, Olympic Disposal submitted a compliance filing in TG-230778. The company states in the filing that it made the revisions authorized and required by Order 08, including implementing the Commission's numerical determinations reflected in Appendix A, updating rate costs associated with the proceeding, and making other revisions consistent with the Order. The filing provided the revisions as instructed and calculated rates necessary to recover the revenue requirement.

On December 2, 2024, Commission staff (Staff) filed a letter in this docket indicating that Staff has reviewed the Company's filing and believes that the submitted compliance documents and tariff satisfies the terms and conditions of Order 08.

The Commission agrees with Staff's position that Olympic Disposal's compliance filing complies with the terms and conditions of Order 08 issued on November 1, 2024.
