Subject: Comments on UTC Rail Safety Rulemaking, Docket # TR-151079

Dear Mr. King,

Thank you for taking public comment on the risk of transporting oil by rail in our state.

I personally love the natural beauty in this State. I can't even imagine hiking in the Columbia River Gorge if there were an oil spill -- or worse, an explosion.

Not only Washington residents come to this area to enjoy its wonderful recreational opportunities. This area is known for its beauty. Please keep it so.
