**Re: Addendum to Puget Sound Energy 2021 Disconnection Reduction Plan UE-190529 and UG-190530**

Dear Mr. Johnson:

PSE filed its Disconnection Reduction Plan (“DRP”) on July 8, 2021, consistent with the order in dockets UE-190529 and UG 190530. PSE intends for its attached Addendum to the DRP to provide clarifications to the DRP resulting from engagement with Commission Staff. Specifically, the Addendum provides additional details about existing business practices related to recent pandemic practices and other clarifications.
