TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered Order 05, *Final Order Approving and Adopting Settlement Agreement; Authorizing and Requiring Compliance Filing*, in this docket on November 13, 2009. The Order, among other things, authorized and required United Telephone Company of the Northwest d/b/a Embarq (Embarq now d/b/a CenturyLink) to file tariff sheets consistent with terms of the Order. The Order also authorized the Commission's Secretary to approve the filing by letter if the company complied with the terms of the Order.

On December 22, 2010, Embarq now d/b/a CenturyLink filed the second required tariff filing in this matter: a revised tariff sheet as specified in Order 05 reducing the Interim Terminating USF Additive (also called Interim Terminating Access Charge or "ITAC") by 25 percent, effective January 1, 2011. Commission Staff has examined this filing and concluded that it complies with the terms of Order 05.

Therefore, pursuant to terms of the Commission's Order 05 in this proceeding, the tariff sheet indicated on the attachment to this letter will become effective as filed with an effective date of January 1, 2011.

Sincerely,

DAVID W. DANNER
Executive Director and Secretary
