Re: Docket UT-042022, *Sandy Judd and Tara Herivel, Complainants, v. AT&T Communications of the Pacific Northwest, Inc., and T-Netix, Inc, Respondents.*

Dear Mr. Youtz:

The Commission has received Complainants' Unopposed Motion to File Combined Response (Motion), requesting that the Commission allow Complainants to file a single response to both AT&T's and T-Netix's Motions for Summary Determination. Whether Complainants file a response to the motions for summary determination and the substance of that response are within the Complainants' discretion. The Commission's rules and regulations do not forbid a party from filing a single response to multiple motions, and therefore, Complainants' Motion is unnecessary.

All parties should keep in mind that the deadline for responses is Thursday, August 27, 2009, and the deadline for replies is Thursday, September 10, 2009. If any of the parties have further questions, please feel free to contact me.

Sincerely,

MARGUERITE E. FRIEDLANDER
Administrative Law Judge
