re: Docket UT-060760, Beaver Creek

Dear Ms. Washburn:

Beaver Creek Telephone Company (BCT) has authorized GVNW to accept, without any agreement as to the methodology of arriving at the result, Staff's recommended WECA pool revenue objective of \$319,150. BCT understands that the revenue objective will expire on December 31, 2007. BCT commits to file for a revised revenue objective on or before October 1, 2007. By then it will have a full year of operations completed, actual traffic studies, and a high degree of confidence in its expected federal High Cost Loop Universal Support levels for 2008.

Respectfully submitted,

Carsten Koldsbaek
Consulting Manager
