On February 18, 2025, PacifiCorp d/b/a Pacific Power & Light Company (PacifiCorp) proposed the Cool Keeper demand response program under Tariff Schedule 106—Demand Response. PacifiCorp is now submitting this errata letter to correct two small typographical errors that were discovered in the Cool Keeper Incentives table in that filing. Below is the corrected table.

Table 1. Cool Keeper Incentives

Cooling System	Maximum Annual Incentive	Monthly Bill Credit Amount
Up to 15 <u>5.5</u> tons	\$30	\$6
15 <u>5.5</u> – 20 tons	\$60	\$12

There are no changes to the proposed program.

Sincerely,
