**Re: Dockets UE-190529 and UG-190530 (consolidated) Compliance Report
Annual Disconnection Reduction Report**

Dear Ms. Maxwell:

On July 8, 2020, the Washington Utilities and Transportation Commission (“Commission”) entered its Final Order (“Order 08”) in the above-captioned dockets. Order 08, among other things, requires Puget Sound Energy (“PSE”) to file an annual disconnection reduction report each year. On December 20, 2021, the Commission found that the 2019 disconnection report filed by PSE on July 8, 2021 complied with the expectations set forth in Order 08.

Pursuant to Order 08, paragraph 781, in the above-referenced dockets, attached is PSE’s Annual Disconnection Reduction Report. This report provides information for 2019, 2020 and 2021.

Please contact Carol Wallace at (425) 424-7351 for additional information about this filing. If you have any other questions, please contact me at (425) 456-2142.

Sincerely,

/s/ Jon Piliaris
