**Re: Annual Disconnection Reduction Report – Compliance Filing
Dockets UE-190529 and UG-190530 (consolidated)**

Dear Director Killip:

On July 8, 2020, the Washington Utilities and Transportation Commission (“Commission”) entered its Final Order (“Order 08”) in the above-captioned dockets. Order 08, among other things, requires Puget Sound Energy (“PSE”) to file an annual disconnection reduction report.

Pursuant to Order 08, paragraph 781, in the above-referenced dockets, attached is PSE’s Annual Disconnection Reduction Report. This report provides information for calendar year 2023.

Also included in the report is the total number of electric disconnections that occurred on each day for which the national weather service issued, or announced that it intended to issue, a heat-related alert, since July 23, 2023, pursuant to RCW 80.28.010(14).

Please contact Carol Wallace at (425) 424-7351 for additional information about this filing. If you have any other questions, please contact me at (425) 456-2142.

Sincerely,

/s/ Birud D. Jhaveri
