**Re: Docket UE-161123 Compliance Filing
Microsoft Annual Renewable Portfolio Standard Report - 2024**

Dear Executive Director Killip,

Under the Settlement Agreement approved by Order 06 in the above-referenced docket, attached is Microsoft's Annual Renewable Portfolio Standard Report (RPS Report) for the 2024 Target Year. Microsoft provided the RPS Report to Puget Sound Energy (PSE) on or before March 31, 2024.

At the request of Commission Staff, the Supplier Identity required by Order 06 (page 7, paragraph (o)) in this docket is included as part of the RPS Report.

PSE and Commission Staff had the opportunity to provide comments on the draft RPS Report. PSE has reviewed the RPS Report and believes it complies with sections 4.9.1 and 4.9.2 of the Special Contract.

Microsoft requests confidential treatment of certain information as "Confidential per Protective Order in WUTC Docket UE-161123" as it contains customer-specific usage information, the release of which could compromise Microsoft's ability to compete fairly or that otherwise might impose a business risk if disseminated without the protections of the Protective Order in this docket.

Jeff Killip, Executive Director and Secretary
