Enterprises is a Delaware limited liability company that is qualified to do business, and is doing business, in the State of Washington. Tesoro Northwest Company is a Delaware corporation that is qualified to do business, and is doing business, in the state of Washington. Each of the Intervenors currently purchases power from Puget Sound Energy (“Puget”) pursuant to Puget’s Rate Schedule 48 tariff.

4. The Schedule 48 Customers have a substantial interest in the resolution of Bellingham Cold Storage Company’s (“BCS”) and Georgia-Pacific, Inc.’s (“GP”) special contracts complaint against Puget, which will not be adequately represented by any other party. Many aspects of the special contracts between BCS and GP and Puget are similar to Puget’s Rate Schedule 48 tariff, as Schedule 48 was patterned after these special contracts. Any resolution of the instant proceeding may affect Schedule 48. This proceeding, therefore, directly affects the interests of the Schedule 48 Customers.

5. Because the Schedule 48 Customers have a direct interest in this proceeding that is not adequately represented by any other party, it is in the public interest to allow the Schedule 48 Customers to intervene in this proceeding. The Schedule 48 Customers, therefore, request that the Commission grant their Petition for Leave to Intervene and make the Schedule 48 Customers parties to this proceeding

6. The Schedule 48 Customers believe their participation in this proceeding will assist the Commission in its consideration of the interpretation of the special contracts. Furthermore, the Schedule 48 Customers’ intervention in this proceeding will not unreasonably

broaden the issues, burden the record, or delay this proceeding. The Schedule 48 Customers are aware of the expedited schedule in the proceeding.

7. Counsel for BCS and GP does not oppose this Petition to Intervene.

WHEREFORE, Air Liquide, Air Products, The Boeing Company, Equilon Enterprises, and Tesoro Northwest Company respectfully request that the Commission grant this Petition for Leave to Intervene with full party status in this proceeding.
