RE: In the Matter of the Petition of Cricket Communications, Inc. for an Exemption from WAC 480-123-030(1)(d) and Designation as an Eligible Telecommunications Carrier, Docket UT-111534

TO ALL PARTIES:

The Washington Utilities and Transportation (Commission) entered its Order 01, Order Granting Cricket Communications, Inc. (Cricket or the Company) the Exemption from Provisions of WAC 480-123-030(1)(d) and Designation as an Eligible Telecommunications Carrier in Docket UT-111534 on May 10, 2012.

The Order requires the Company to meet 17 conditions to be classified as an Eligible Telecommunications Carrier, and directs the Company to submit compliance filings with regard to several of the conditions. Among others, Condition #1 requires the Company to submit information for Commission approval before it can begin offering service in the state of Washington. The Order authorized the Commission's Executive Director and Secretary to approve the required compliance filings, by letter, if the Company complied with the terms of the Order.

On June 7, 2012, Cricket submitted a compliance filing pursuant to Washington State Condition #1 of Commission Order 01 (Appendix B) in this docket, for approval by the Commission. The Company's compliance filing contains a copy of its Lifeline rate plans, terms and conditions, proposed language to be used in marketing and advertising material, and its Lifeline Customer Enrollment Form. After Commission Staff reviewed the compliance filing and discussed it with the Company's representative, Cricket submitted a revision to the compliance filing on June 20, 2012. Staff finds that the Company's final revised compliance filing is satisfactory and meets the condition set forth in the Commission's Order 01. On June

21, 2012, Commission Staff submitted a letter recommending the Commission approve the compliance filing.

The Commission has examined Cricket's compliance filing and subsequent revisions and finds the Company's compliance filing meets Condition #1 of Commission Order 01.

Sincerely,
