**NOTICE REQUIRING FILING OF STATUS REPORT
(By August 19, 2015)**

RE: *Washington Utilities and Transportation Commission v. Iliad Water Service, Inc.*,
Docket No. UW-150311

TO ALL PARTIES:

On February 23, 2015, Iliad Water Service, Inc. (Iliad Water Service or Company), filed with the Washington Utilities and Transportation Commission (Commission) a proposed rate increase that would generate \$25,141 (31.4 percent) additional annual revenue. On June 8, 2015, the Commission convened a prehearing conference and adopted a procedural schedule.

On August 7, 2015, Commission staff (Staff) requested, on behalf of the parties, that the remaining procedural schedule be temporarily suspended and that the parties be permitted to file a report on the status of their settlement negotiations no later than August 12, 2015. In the event the parties are unable to reach a settlement, the Company agreed to adjust the suspension date of its filing to accommodate a revised procedural schedule. On August 8, 2015, the Commission granted the parties' request and suspended the procedural schedule based on the Company's agreement to waive the suspension date to allow the Commission sufficient time to conduct appropriate proceedings and enter a final order in the event the parties are unable to reach a settlement agreement that the Commission approves.

On August 12, 2015, Staff filed a status report on behalf of the parties. Staff explained that the parties have made progress toward settlement, and expect to either reach an agreement in principle or develop a revised procedural schedule and resume litigation within one week. Accordingly, the parties propose to file another status report no later than Wednesday, August 19, 2015.

The Commission finds good cause to continue to suspend the procedural schedule and grants the parties' request. The parties must file a report on the status of their settlement negotiations by August 19, 2015.

THE COMMISSION GIVES NOTICE That the parties must file a status report of their negotiations by August 19, 2015.
