

**BEFORE THE WASHINGTON UTILITIES AND
TRANSPORTATION COMMISSION**

In the Matter of

PACIFICORP d/b/a PACIFIC POWER
& LIGHT COMPANY

2021 Clean Energy Implementation Plan

DOCKET UE-210829

**SIERRA CLUB
MOTION TO WITHDRAW**

1. Pursuant to WAC § 480-07-380(3)(a), Sierra Club respectfully files this motion seeking to withdraw from the above-referenced docket for the reasons stated below.
2. On April 28, 2023, Sierra Club petitioned to intervene in this proceeding in order to continue Sierra Club’s on-going participation in PacifiCorp’s Clean Energy Implementation Plan (“CEIP”).
3. On May 18, 2023, the Washington Utilities and Transportation Commission (“Commission”) entered Order 03, which granted Sierra Club’s petition to intervene.
4. Sierra Club subsequently fully participated in the adjudication on PacifiCorp’s CEIP, ultimately joining a multi-party settlement agreement in which PacifiCorp’s CEIP was approved, with conditions, by this Commission. *See* Order 06. With the Commission’s approval of the multi-party settlement agreement, the adjudication pertaining to PacifiCorp’s 2021 CEIP was fully resolved.
5. On November 1, 2023, PacifiCorp filed its required 2023 Biennial CEIP Update. While the Biennial Update builds upon PacifiCorp’s 2021 CEIP, it is an entirely new filing, raising new issues. Indeed, during the recent pre-hearing conference held on April 23, 2024, Administrative Law Judge Doyle confirmed that issues pertaining to the 2021 CEIP are outside the scope of this

docket moving forward. Nevertheless, the 2021 CEIP and the 2023 Biennial CEIP Update are housed within the same docket.

6. Sierra Club has determined that it does not have the capacity or resources to effectively participate in an adjudication regarding the 2023 Biennial CEIP Update, and thus requests permission from this Commission to formally withdraw from the above-referenced docket.

Dated this 26th day of April 2024.

Respectfully submitted,
