

**Energy Project Data Request 43**

**III. Schedule 300 Customer Charges**

Please state the total dollars recovered during the test year through Schedule 300 for connection, disconnection and reconnections and state how much of that amount pertains to low income accounts as defined in the preceding data request.

**Response to Energy Project Data Request 43**

The following table lists the total dollars charged to residential customers in Washington in 2013 through the Connection Charge and Reconnection Charge. The amounts charged for disconnections are not included in the table as those costs are captured in the Reconnection Charge.

Charge	All Residential Customers— Dollars Billed	Low Income Customers— Dollars Billed
CONNECT CHARGE -AFTER HOURS	\$6,375.00	\$150.00
CONNECT CHARGE -WKND/HOL HRS	\$1,225.00	\$0.00
RECONNECT CHARGE -AFTER HOURS	\$13,100.00	\$1,350.00
RECONNECT CHARGE -OFFICE HOURS	\$58,575.00	\$7,725.00
RECONNECT CHARGE -WKND/HOL HRS	\$975.00	\$0.00
