Re: *Puget Sound Energy v. City of Tumwater*, No. UE-061626

Dear Judge Mace:

Pursuant to your email exchanges with James Williams, Puget Sound Energy ("PSE") respectfully requests an extension of time to file a petition for administrative review of the May 25, 2007 Initial Declaratory Order in the above-referenced matter.

This request is made under WAC 480-07-825(2), which authorizes the Commission to extend the twenty (20) day filing deadline on a showing of good cause. There is good cause to grant PSE's request because the Initial Declaratory Order raises novel questions of real property law with potential far-reaching impact, and PSE needs time to fully evaluate issues for appeal. Neither the City of Tumwater nor Commission Staff objects to PSE's request.

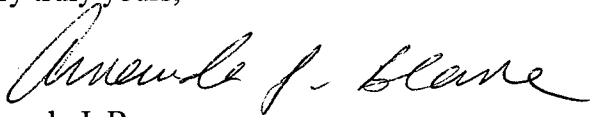

If granted, this request would extend the deadline for filing a petition for administrative review from June 14, 2007 to August 16, 2007.
