RE: Washington Utilities and Transportation Commission Docket Number TS-070889
Aqua Express, LLP Request for Delay in Status Report Filing

Dear Mr. Willey:

On January 14, we received your letter dated January 10, 2008 indicating that your client will not be able to meet the report deadline established in the Commission's order in Docket TS-070889. Staff does not have authority to amend or waive the deadlines set by Commission orders. Because we received your letter after the deadline for filing the report, and because you have not filed a motion to amend the order or seek relief from it, Staff cannot grant your request for an extension. However, if you submit a late-filed report, we will place it on the docket as part of the official record.

Sincerely,

Carole J. Washburn
Executive Secretary
