Notice Seeking Nomination for Advisory Board – Letter of Interest**

Dear Mr. King:

Pursuant to September 26, 2013 Notice Seeking Nominations for Advisory Board, I am submitting this letter of interest to serve on the Advisory Board for the position representing either competitive local exchange carriers or wireless carriers.

In my over fifteen years in the telecommunications industry with AT&T Wireless, Cingular and now AT&T, I have worked on a variety of issues including universal service, access, wireless and other matters. I believe I would provide valuable insight and consultation to the Advisory Board. My biography is attached.

Thank you for your consideration.

Sincerely,

Cindy Manheim by Jac with permission
