Re: Peninsula Sanitation Service, Inc. G-011 Docket TG-190476, Settlement
Agreement/Compliance Tariff Filing

Peninsula Sanitation Service, Inc. is filing revised tariff pages in compliance with the settlement agreement mentioned above to correct information on Tariff No. 16, 1st Revised, Page 20, Item 80, Charge for Drive-ins (per pickup).

Peninsula's Current Tariff No. 16, 1st Revised Page No. 20 does not include language defining multiple residences or accounts on a driveway. In this filing, the company is adding Commission standard language as follows:

For the purpose of assessing drive-in fees, a driveway is defined as providing access to a single residence. If a driveway provides access to multiple residences or accounts, no drive-in fees will be assessed.

The company is also electing to remove language from the tariff provision allowing charges for driveways of over 250 feet but less than 1/10 mile and charges for each 1/10 mile over 1/10 mile in Tariff No. 16, 1st Revised Page 20.

The company has now revised its billing practices concerning customer drive-in fees billing in compliance with the settlement agreement and Order 01.

If there are questions please contact the undersigned.

Yours truly,

Weldon T. Burton CPA
