Re: TV-190858 – Issuing Permanent Household Goods Permit HG069117

Dear Americam Movers LLC:

On October 16, 2019, Americam Movers LLC filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. On February 24, 2020, the Commission approved the application in part and granted Americam Movers LLC temporary authority to provide those services.

The Commission has determined that Americam Movers LLC qualifies for permanent household goods carrier authority and approves the application in full. Permit HG069117 issued in the name of Americam Movers LLC is enclosed, and the company may now operate on a permanent basis.

Americam Movers LLC must continue to comply with state laws, Commission rules, and the provisions of Tariff 15-C. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
