Re: Docket UE-220441, In the Matter of PacifiCorp d/b/a Pacific Power & Light Company's
2021 Power Cost Adjustment Mechanism Annual Report

On November 23, 2022 the Washington Utilities and Transportation Commission (Commission) entered Order 01 approving the 2021 Power Cost Adjustment Mechanism cost recovery filing in docket UE-220441. Order 01 approved PacifiCorp's 2021 net deferral balance and its petition to extend the amortization period of the Power Cost Adjustment Mechanism balance to 24 months.

On December 8, 2022 PacifiCorp filed revised tariff sheets in compliance with Order 01 with an effective date of January 1, 2023. On December 27, 2022 Commission Staff filed a letter in this docket attesting to review of the revised tariff sheets and compliance with the terms of Order 01. On December 28, 2022 the Commission approved the revised tariff sheets filed by PacifiCorp on December 8, 2022 as compliant with Order 01 and the rates became effective January 1, 2023.

On December 11, 2024 PacifiCorp filed final revised tariff sheets complying with Order 01 with an effective date of January 1, 2025. On December 16, 2024 Commission Staff reviewed the revised tariff sheets and derivative workbooks and confirmed the filing complies with the terms of Order 01, that the 24 month amortization period may conclude as scheduled on December 31, 2024 and the tariff sheets filed on December 11, 2024 may go into effect on January 1, 2025.

DATED this ___ day of December, 2024.
