Records center:

Please file this email in docket UE-210183 as comments from NW Energy Coalition.

NW Energy Coalition appreciates the opportunity to comment on this important topic. We look forward to reviewing the responses from utilities, who have access to more detailed information on this issue than the general public. We reserve the option to submit supplemental comments after we have had a chance to review the data provided by utilities.

Sincerely,

Lauren McCloy  
Policy Director  
NW Energy Coalition
