Transportation Commission

Subject: December 2005 Service Quality Report

Dear Ms. Washburn:

Enclosed please find the October 2005 Service Quality Performance Report of Verizon Northwest Inc., filed pursuant to WAC 480-120-439. Note that the performance measure associated with repairing out of service troubles within 48 hours dropped in December due to the weather-related issues causing significant increase in out of service requests during that month.

Central office level detail is marked "Confidential pursuant to WAC 480-07-160" as it includes access line count and activity information that would have economic value to current and potential competitors, such as in determining when and where to enter or begin operation. In addition to the information required by WAC 480-120-439, we are also providing the document "VzNW Trbl 12mo" at the request and for the convenience of the Commission Staff.

If you have any questions about the report, please contact me at the above number or email me at robert.a.millar@verizon.com.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Robert A. Millar".

Director, Washington State Regulatory Affairs
