RE: *Washington Utilities and Transportation Commission v. Puget Sound Energy, Inc.*, Docket UE-130617, et al

TO ALL PARTIES:

On July 17, 2014, the Puyallup Tribe (Tribe) filed with the Washington Utilities and Transportation Commission (Commission) a Late-Filed Petition to Intervene and for Leave to File a Response to Puget Sound Energy's (PSE) Amended Application (Intervention and Response) in the above matter. The Tribe asserts its largest hatchery facility utilizes electric power services provided by PSE and thus the Tribe is interested in the rates that will result from PSE's Amended Application.¹ In addition, the Tribe states it has executed a Resource Enhancement Agreement with PSE which governs, among other things, the annual payments from PSE to the Puyallup Tribe for work performed by the Puyallup Tribe on the Electron Hydroelectric Facility in protecting fish.² The Tribe requests intervenor status and the opportunity to respond at length to PSE's Amended Application.

¹ The Tribe's Intervention and Response, ¶¶ 2-3.

² *Id.*, ¶ 3.

DOCKET UE-130617 et al.

NOTICE IS HEREBY GIVEN That parties who wish to respond to the Puyallup Tribe's Late-Field Petition to Intervene must do so by 5:00 p.m., Tuesday, July 22, 2014.

NOTICE IS FURTHER GIVEN That parties who wish to reply to the Puyallup Tribe's Response to PSE's Amended Application must do so by 5:00 p.m., Tuesday, July 22, 2014.
