RE: *Utilities and Transportation Commission v. Rainier View Water Co., Inc.*  
Docket UW-110054  
Status Report

Dear Mr. Danner:

Pursuant to the Parties' commitment to update the Commission on the status of this docket, it appears that an agreement has been reached in principle and the Parties are fine-tuning the details. There is a settlement agreement in circulation among the Parties. Because of the progress that continues to be made, the Parties ask that the schedule continue to be held in abeyance to focus such efforts.

The Company has authorized me to file this status report on behalf of both Parties.

Sincerely,

MICHAEL A. FASSIO  
Assistant Attorney General
