RE: Notice of Possible Collection Action, Penalty Assessment Invoice No. 5724

Dear Sir or Madam:

As you are aware, on December 10, 2019, the Washington Utilities and Transportation Commission entered Order 02 in Docket TE-190842, imposing and suspending penalties on condition of future compliance. The Commission assessed a penalty of \$10,000, and suspended \$9,000 for a period of two years from the date of the Order, provided that Luxury1 Limo, LLC refrain permanently from further operations as a household goods carrier in the state of Washington without first obtaining the required permit from the Commission. The Commission agreed to a payment arrangement of the penalty, and on March 17, 2021, after Staff's recommendation, canceled that arrangement due to the company's failure to make payments.

The Commission sent you a Final Notice dated March 10, 2021, indicating that the balance of \$9,000 was due. To date, the Commission has not received payment of the balance due.

This is to notify you that the Commission may forward your outstanding debt to a collection agency for collection. In that event, you likely would incur additional expenses and fees, including costs of collection, attorney's fees, and interest, which would be added to your outstanding \$9,000 balance.

If you have any questions about this letter, or about your obligations under Commission rules, you may contact Kim Anderson at (360) 664-1153.

Very truly yours,

/s/ Sally Brown, WSBA No. 17094
