RE: Docket No. UE-080416 & UG-080417 – Removal of Confidential Designation

Dear Judge Clark:

Avista Corporation hereby encloses for filing one copy of prefiled testimony and exhibits, as well as the post-hearing brief, in compliance with the new confidentiality designations previously identified in the Company's December 19, 2008 letter. The Company has also reviewed the revised exhibit list sent on January 23, 2009. Based on that review, the following exhibits remain confidential in their entirety as reflected on the exhibit list: EMA-12C, EMA-18C, EMA-29C, DPV-5C, and TEP-6C.

The following exhibits are no longer confidential, and have been enclosed in this filing: EMA-1T, EMA-2, EMA-5, EMA-6, TLK-2, TLK-8, TEP-2, TEP-5, TEP-8 and TEP-9.

Finally, the post-hearing brief and the following exhibits are being submitted in Unredacted and Redacted versions as some materials remain confidential: TEP-1TC, TEP-3C, TEP-4TC and TEP-7C.

If you have any questions on this matter, please do not hesitate to call.

Respectfully yours,
