(February 26, 2001)

RE: In the Matter of the Continued Costing and Pricing of Unbundled
Network Elements and Transport and Termination
Docket No. UT-003013

TO PARTIES OF RECORD:

On February 21, 2001, Verizon Northwest, Inc., filed Advice Nos. 970, 971, and 972 containing tariff sheets to become part of WN U-21, WN U-22, and WN U-20 tariffs, respectively. These filings are made in compliance with the Thirteenth Supplemental Order in Docket No. UT-003013 (Part A Order) dated January 31, 2001. The Part A Order directed Verizon to make tariff filings to revise rate elements that were uncontested or approved without change.

The Commission requests that Commission Staff review Verizon's filings and comment whether it believes that the filings comply with the Part A Order. In addition, the Commission invites other parties to comment on Verizon's filings. Comments must be filed with the Commission no later than February 26, 2001.

Sincerely,

CAROLE J. WASHBURN
