UTC v. Cascade Natural Gas Corporation, Docket UG-072337

TO THE PARTIES:

On March 6, 2008, the Washington Utilities and Transportation Commission (Commission) entered Order 08 in the above proceedings, an order that, among other actions, accepted the parties' Settlement Agreement on condition. On March 10, 2008, Cascade Natural Gas Corporation (Cascade) filed revised tariff pages with an April 1, 2008, effective date to comply with Order 08. On March 17, 2008, Cascade filed a Petition for Reconsideration and Alternative Motion for Clarification of Order 08, requesting the Commission either reconsider the portion of the order imposing a condition, or in the alternative, clarify that the condition applies only to capacity releases identified in paragraph 22 of the parties' Settlement Agreement.

THE COMMISSION GIVES NOTICE That answers to Cascade's petition and motion must be filed with the Commission by 3:00 p.m. on Thursday, March 20, 2008. The Commission requires a shortened time for answers to address the company's petition prior to the April 1 effective date for the revised tariff pages. Parties may submit answers electronically with the Commission on the deadline, and file an original and **five (5)** copies with the Commission by Friday, March 21, 2008.
