RE: *In the Matter of Northwest Natural Gas Company's Application for Approval of Corporate Reorganization to Create a Holding Company,*
Docket UG-170094

TO ALL PARTIES:

On December 28, 2017, the Washington Utilities and Transportation Commission (Commission) entered its final order, Order 01 Approving Application Subject to Conditions (Order 01) in docket UG-170094. On March 13, 2018, Order 01 was amended to incorporate a list of commitments with which Northwest Natural Gas Company (NWN-U or Company) must comply. This list included Commitment 35, which states:

For a period of three years following the formation of HoldCo, NWN-U will provide an annual credit to Washington customers in the amount of \$55,000 on an equal percent margin basis concurrent with NWN-U's PGA.

On September 13, 2018, NWN-U filed a new tariff schedule proposing temporary rates with a requested effective date of November 1, 2018. On November 1, 2018, Commission staff (Staff) filed a letter informing the Commission that Staff had reviewed the filing and found that it complies with Commitment 35.

The Commission accepts the tariff schedule filed on September 13, 2018 as in compliance with the terms of Order 01. The temporary rates are effective as of November 1, 2018.
