Re: Docket TR-151079

Thanks for your letter of Aug. 21, 2015
inviting comments on this issue by Sept. 21st.

I do not need any future machines.
My little city of Cashmere doesn't qualify
as 'first class city' - yet it has multiple
trains daily. I share the concerns
stand up to oil/coal coalitions have
regarding safety and transporting
fossil fuels.

You may well see my name again
on a petition/request to do every-
thing you can to ensure the safety
of all our communities -

TR-151079 does not go nearly
far enough.

Regards,

Jaana Porek
