FRONT AND CENTERED AND NW ENERGY COALITION DATA REQUEST NO. 015:

DATA REQUESTS DIRECTED TO: Kara Durbin

Re: Equity Data

Please provide by zip code the number of residential customers served by PSE disaggregated by whether PSE supplies:

- a. Electric-only service;
- b. Natural gas only service;
- c. Electric and natural gas combined service.

Response:

Please refer to Attachment A, a file with counts of residential customers served by Puget Sound Energy ("PSE"), by ZIP code, disaggregated by service type. Please note that these ZIP codes include PSE's electric only, gas only, and combination service types. However, PSE developed its Clean Energy Implementation Plan in response to the Clean Energy Transformation Act, which pertains to the electric utility service only.
