Re: Ellensburg Telephone Company - UT-151600 - Supplemental Information -  
Confidential

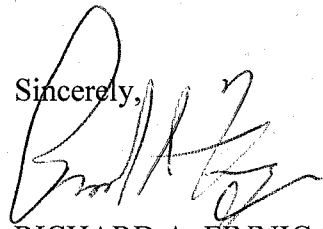

Dear Mr. King:

The purpose of this letter is to provide supplemental information related to Ellensburg Telephone Company d/b/a/ FairPoint Communications filing in the above-referenced docket. In Exhibit 10 filed with the Petition in this Docket, Ellensburg stated it would report its planned construction projects under a separate cover. That is the purpose of this letter.

For the list of projects and estimated project costs, please see the attached confidential document. This document is filed as confidential per WAC 480-07-160. It is filed as confidential because disclosure of where improvements are planned can give competitors substantial competitive information. A redacted copy is also provided.

Thank you for your attention to this matter.

Sincerely,

RICHARD A. FINNIGAN
