WHEREAS, on December 20, 1991, the Department announced its selection of Contractor as the successful vendor on the basis of the Combined Proposal, with the understanding that Department and Contractor would enter into an Agreement covering the entire project as set forth in the RFP and that Contractor would enter into Subcontracts with GTE, PTI and USWC to cover those portions of the RFP for which those three LECs would be responsible;

NOW, THEREFORE, Department and Contractor do mutually agree as follows:

12. Monitoring/Recording

Contractor shall provide live or mechanical operator announcements for all personal calls made from Inmate Public Telephones that the call is coming from a prison inmate and that it will be recorded and may be monitored and/or intercepted. A. The Contractor shall defend, protect and hold harmless the State of Washington, the Department, or any employees thereof, from and against all claims, suits, or actions arising from any negligent or deliberate act or omission of the Contractor or Subcontractor, or agents of either, while performing under the terms of this Agreement. The provisions of this paragraph shall not apply to any act or omission by the Contractor for which the Department, in the text of this Agreement, has agreed to defend and hold the Contractor harmless. The provisions of this section shall survive any termination or the expiration of this Agreement.

B. The Department shall defend, protect and hold harmless Contractor, its employees, agents or subcontractors, from and against all claims, suits, actions, loss or injury arising from any negligent or deliberate act or omission of the Department or any employee thereof, while performing under the terms of this Agreement, except to the extent that the claims result from the negligence or willful acts of Contractor's employees, agents or subcontractors. The Department shall defend, protect and hold harmless the Contractor, its employees, agents or subcontractors, from and against all claims, suits, actions, loss or injury arising out of or in any way connected with Contractor's provision of call

Contractor shall not be deemed to be in default if Contractor cures the failure of performance within the thirty (30) day notice period, or if the nature of Contractor's default is such that more than thirty (30) days are reasonably required for its cure, then Contractor shall not be deemed to be in default if Contractor shall commence such cure within said thirty (30) day period and thereafter diligently ~~prosecute such cure to completion.~~

C. Unless there is a default consisting of a failure of performance as to the entire Agreement, a termination of this Agreement under the terms of this Section 18 a and b as to any single correctional facility or as to any single LEC territory shall not operate as a termination as to any other correctional facility or other LEC territory, and this Agreement shall remain in full force and effect for all other correctional facilities and LEC territories.

After the first three years of this Agreement, either party may terminate this Agreement without cause by giving written notice to the other party, as provided for herein, at least 180 calendar days prior to the effective date of said termination.

WHEREAS, Department and Contractor entered into an Amendment No. 1 on November 30, 1994, for the purpose of modifying certain terms and conditions relating to Contractor's subcontractor GTE Northwest Incorporated (GTE);

WHEREAS, Department and Contractor entered into an Amendment No. 2 to the Agreement on August 15, 1995 for the purpose of providing for the addition of certain call control features for calls carried by Contractor and for an increase in commissions on calls carried by Contractor;

WHEREAS, Department and Contractor entered into an Amendment No. 3 to the Agreement on February 14, 1997 for the purpose of extending the date of the agreement, increasing the rate of commissions, and deleting Telephone Utilities of Washington, Inc. dba PTI Communications (PTI) as a subcontractor, and including T-Netix, Inc. as the station provider;

WHEREAS, the parties now wish to extend the current term of the Agreement, to: standardize the revenue percentage for all vendors and locations, to add caller ID to inmate telephone lines as well as legal telephone lines, to add a modified I-PIN system to the system, and to include other provisions as covered by this contract amendment.

1. Department and Contractor agree that the term of the Agreement is extended and will expire June 30, 2004.

2. Commencing on the 16th day of the month following the signing of this Agreement by Department, the monthly commission rate paid by Contractor under the Agreement shall remain at forty-five percent (45%) on billed revenues from operator-assisted interLATA and international calls carried by Contractor from all locations. Also, Contractor shall pay Department a monthly commission rate of forty-five percent (45%) on billed revenues from operator-assisted intraLATA and interLATA calls from the following facilities only in Century Telephone (formerly PTI) territory: Clallam Bay Corrections Center, Washington Corrections Center for Women, Olympic Corrections Center, Pine Lodge Pre-Release, Coyote Ridge Corrections Center, and Larch Correction Center.
3. Upon execution of this Amendment, US WEST Communications, Inc. (USWC) shall pay to Department a monthly commission rate of forty percent (40%) of billed revenues from operator-assisted local and intraLATA calls carried by USWC during the term of the Agreement.
4. Upon execution of this Amendment, GTE shall pay to Department a monthly commission rate of thirty-five percent (35%) on all local and intraLATA GTE billed revenues for the term of the Agreement.
5. Upon execution of this agreement, T-Netix, Inc. shall pay to Department a monthly commission rate of twenty-seven percent (27%) on all local call billed revenues only, for the terms of the Agreement, from the facilities in Century Telephone territory referred to in paragraph 2 above.
6. Any rate (commission) change will be effective beginning on the 16th day of the first calendar month of the renewal period.
7. Eighty percent (80%) of the anticipated year's commissions will be pre-paid annually by each vendor, in advance to DOC. These revenues are to be based on last year's, year-end billed revenues. The payments will be made in January of each year, no later than the last business day of the month. Revenues will be broken down site by site and paid according to each site's figures. Payment may be made in the form of one check, which should be sent to the Administrative Planning Manager at DOC headquarters, in Olympia Washington, along with a complete breakdown of all figures showing fixed revenue and percentage paid as commission to the Department.

ADMINISTRATIVE PLANNING/MANAGER
PO BOX 41110

8. There will be an annual "true up", conducted during the month of January of each year. This "true up" will be completed no later than the last business day of February. Any adjustment to be made, on DOC's behalf will be deducted from the current year's revenue check before it is issued to DOC.
9. Beginning April 15, 1999, caller ID will be added to each line, and maintained by the contractor and its vendors at no additional cost to DOC. The ID will be on all telephone lines including legal telephone lines.
10. Beginning April 15, 1999, a modified I-PIN system will be in place and operational, or as per any other agreement on scheduling as determined by DOC and its vendors. All costs for installation, administrative staffing, and other operational functions needed to support the system will be borne by Contractor and its vendors. The administrative "staffing" for supporting this system will be provided by T-Netix. Contractor shall provide an I-PIN system training program for both inmates and DOC staff, an accounting system, and all other operational functions. The modified I-PIN system will consist of a pin number, a revised announcement pre-recorded by T-Netix, updated and or upgraded software, and hardware systems and maintenance.
11. Time limits on calls may be imposed at the discretion of DOC personnel at DOC headquarters only.
12. Beginning March 16, 1999, AT&T and its vendors (US West, GTE, and T-Netix) shall generate a monthly report showing site specific information. The information will include inmate use per telephone (on both inmate and legal lines), the minutes of use, amount of billed revenue, amount of commission paid, and revenue totals per institution. The report will be forwarded to the DOC headquarters' Telecommunications Manager, on a monthly basis, with an annual report at the years' end. The current AT&T report shall be used as a template for creating the monthly report.
13. In the event of an inconsistency between the terms of the Agreement and this Amendment, the terms of this Amendment shall prevail.
14. Contractor shall not recommend any hardware or software under this amendment and any other amendments without documenting that such hardware and /or software is warranted by its manufacturer/owner to be Year 2000 compliant. Year 2000 compliant shall mean that the product performs accurately and reliably before, or/and after January 1, 2000, in the processing of date and date-related data regardless of whether the dates are in the 20th or 21st centuries, and whether or not the date data is affected by leap years. Furthermore, Year 2000 compliant hardware/software, when used in combination with other information technology, shall accurately process date/time data if the other information technology properly exchanges date/time data with it.
