DIRECTOR

On October 27, 2004, the Commission awarded a Grade Crossing Protective Fund Grant of \$15,000 to Yakima County in Docket TR-040198. Use of the funds was limited to installing shoulder-mounted flashing light signals with gates at the Wesley Road grade crossing, identified as USDOT 917948E.

On May 23, 2005, Yakima County submitted a request for reimbursement for work pursuant to the Commission Order in TR-040198. Commission Staff verified that the project was completed according to the conditions of the order approving the grant.

The attached expenditure summary indicates that the total cost of the installations is \$37,503.36. The Order in TR-040198, however, states: "expenditure from the Grade Crossing Protective Fund must not exceed \$15,000." Accordingly, Yakima County should be reimbursed a total amount of \$15,000 granted in TR-040198.
