Subject Request for Extension WebTel Wireless, Inc.

To the WA-UTC Records Division:

WebTel Wireless, Inc. requests an extension for filing of the "REGISTRATION, COMPETITIVE CLASSIFICATION, AND INITIAL PRICE LIST OF TELECOMMUNICATIONS COMPANIES"

Said form has been submitted but was lacking 1.) a confirmation on the waiver portion under Competitive Classification AND 2.) the UBI Number was missing.

We request an extension so that WebTel can remedy these two pieces of required information.

Thank you very much.

Sincerely,

Jim Campbell
