Re: Docket No. UT-042087 – Ellensburg Telephone Company Billing Issues

Dear Ms. Washburn:

The purpose of this letter is to inform you that Ellensburg Telephone Company has completed the implementation of its new billing system. Unfortunately, the implementation was finished too late to implement the new billing system for the February billing cycle. Ellensburg Telephone Company has informed me that the new billing system will be implemented with the March billing cycle.

Ellensburg Telephone Company did want the Commission to know that the new billing system is up and will be operating beginning with the March billing cycle.

Sincerely,

RICHARD A. FINNIGAN
