Re: Docket No. UT-(new)
Qwest's 7th Amended Exhibit A to the SGAT

Dear Ms. Washburn:

Enclosed for filing are the original and 6 copies of Qwest Corporation's 7th Amended Exhibit A to Qwest's Statement of Generally Available Terms and Conditions (SGAT). Qwest is establishing a uniform template for all Exhibit As throughout its 14-state region. These changes are highlighted in the redlined version of Exhibit A and explained in more detail in the Roadmap matrix submitted with this filing. Generally, the changes may be categorized as follows:

- Numbering and/or re-numbering of each element to make it easier to locate elements. This is being done across the 14 states and will make it easier for our customers to locate the same or similar products across the states.
- The rate columns have been reformatted so they are consistent throughout the document.
- Two "Note" columns have been added to align notes specifically to a rate element, one for "Recurring" rates and one for "Recurring, per Mile" rates.
- Updated 2004 and 2005 rates for Pole Attachments and Innerduct Occupancy per FCC guidelines.

An electronic version of these documents is also included on the enclosed CD in MS Excel and Adobe PDF format.

Sincerely,

Lisa A. Anderl
