Dear Sirs:

Subject: 2004 Class "A & B" Annual Report – G-237

We have been working diligently in the preparations for filing the annual report for Waste Management of Washington, Inc. (G-237), however due to the extensive nature of compiling the company's information for the eleven hauling districts, two landfills, and several other recycling and transfer station facilities in Washington State it is doubtful that we will be able to complete the annual report by May 1st. Consequently, we respectfully request that Commission waive WAC 480-70-071 and grant an extension to file our annual report by July 1, 2005.

Enclosed with this letter is our check for \$424,725. This check represents the regulatory fee of .4% on the estimated 2004 gross intrastate operating revenue of \$106,181,297 for Waste Management of Washington, Inc. We will determine whether or not there is any remaining amount due either to or from the Company at the time we submit the 2004 Class "A & B" Annual Report.

If you have any questions or need additional information, please contact me at (425) 814-7840.

Very truly yours,

Michael A. Weinstein
