Dear Ms. Washburn:

Enclosed you will find the regulatory fee based on the gross annual intrastate revenue for 2004.

We request that an extension be granted to allow additional time for completion of the annual report. We have submitted the year end information to our accountant who is in the process of completing the year-end financial statements now. Our accountant expects to be able to complete the year-end financial statements by June 1, 2005.

We will submit these annual reports just as soon as they are available.

Sincerely,

Bonnie L. Christerson
Ocean Park Water Co.
