Re: Substitute Filing: Revisions to Schedule T: Service Election

Northwest Natural Gas Company, dba NW Natural (NW Natural or Company), files herewith the following tariff sheets proposed to become effective on Less Than Statutory Notice on October 26, 2005. A request for approval on less than statutory notice is already on file:

Third Revision of Sheet T.2,  
Schedule T  
"Customer-Owned Natural Gas Transportation Service"

The first purpose of this filing is to delete the housekeeping changes made to paragraph two under the Service Election provision.

The second purpose of this filing is to revise the language under the proposed limited exception provision under Election of Service to reflect changes arising from discussions today between NW Natural, the Staff of the Washington Utilities & Transportation Commission, and representatives for Northwest Industrial Gas Users.

The Company hereby withdraws the tariff sheet proposed under NW Natural Advice No. 05-6 submitted October 20, 2005.

Copies of this letter and the attached filing are available in the company's offices in Vancouver, Washington and The Dalles, Oregon.

As required by WAC 480-80-103(4)(a), I certify that I have authority to issue tariff revisions on behalf of NW Natural.
