RE: Tariff Filing

Attached please find revised Tariff pages for American Disposal Co., Inc./Vashon Disposal, G-00087.

Supplement No. A has been revised to reflect an increase in taxes.

The King County Council has approved an increase for the Local Hazardous Waste Program for residential households and businesses. The effective date of this increase was January 1, 2006.

The King County Board of Health hosted two public meetings during May 2005 on this subject and posted the increase on their website and in the newspaper. However, our company was not officially notified of this increase. We therefore, respectfully request that the request for Less Than Statutory Notice is granted.

We will notify our customers with the first billing reflecting this increase.

If you should have any questions, please contact me via telephone (253) 414-0354, via fax (253) 582-9564 or via e-mail at Irmgardw@wcx.org.

Sincerely,

Irmgard Wilcox
