- 1 Basin Disposal, Inc. holds Certificate of Public Convenience and Necessity No. G-118. Certificate No. G-118 was issued under the provisions of RCW 81.77 and authorizes solid waste collection service in portions of Benton, Franklin, Walla Walla, and Clark Counties.
  
- 2 The commission in its GIS (Geographical Information System) mapping project found that a typographical error exists in the text describing a portion of the territory authorized in Certificate No. G-118. The text describing territory authorized in Certificate No. G-118 currently refers to “Section 13, T. 6 N., R. 31 E.” The correct description should refer to “Section 7, T. 6 N., R. 31 E.”
  
- 3 In view of this fact, on April 25, 2006, Darrick Dietrich, Manager of Basin Disposal, Inc. filed a request to revise and reissue Certificate No. G-118 to show the correct description of the territory involved and to remove duplicate authority descriptions.

**ORDER**

- 4 IT IS ORDERED That Certificate of Public Convenience and Necessity No. G-118, standing in the name of Basin Disposal, Inc. be revised and reissued as described in the attached Appendix A.

DATED at Olympia, Washington and effective May 23, 2006.
