- 1 Sanitary Service Co., Inc., d/b/a Sanitary Service Company and Recycling Service holds Certificate of Public Convenience and Necessity No. G-14. Certificate No. G-14 was issued under the provisions of RCW 81.77 and authorizes solid waste collection service in portions of Whatcom County.
  
- 2 The commission in its GIS (Geographical Information System) mapping project found that Certificate No. G-14 describes Whatcom County as the authorized territory with extensive descriptions of the territory in Whatcom County excluded from the authority. For GIS mapping purposes, it is necessary to describe and map the territory authorized rather than the territory excluded.
  
- 3 In view of this fact, on May 18, 2006, Edward J. Nikula, Vice President of Sanitary Service Co., Inc., d/b/a Sanitary Service Company and Recycling Service filed a request to revise and reissue Certificate No. G-14 showing a complete description of the territory authorized as suggested by staff in the GIS mapping project.

**ORDER**

- 4 IT IS ORDERED That Certificate of Public Convenience and Necessity No. G-14, standing in the name of Sanitary Service Co., Inc., d/b/a Sanitary Service Company and Recycling Service be revised and reissued as described in the attached Appendix A.

DATED at Olympia, Washington and effective June 5, 2006.
