**Re: Notice of Opportunity to File Written Comments on WAC 480-93,
Docket PG-061027**

Dear Ms. Washburn:

Thank you for the opportunity to comment on the Commission's proposal to consider possible corrections and changes to selected rules in Chapter 480-93 WAC. Puget Sound Energy (PSE) is interested in this rulemaking and looks forward to the opportunity to review the proposed text changes when they are presented for comment.

In addition to the sections identified in the Notice, PSE would like the commission to consider opening other rules in Chapter 480-93 WAC in the future.

Sincerely,
