RE: UTC Docket No. TR-071585

Mr. Pratt:

Please accept this correspondence as BNSF Railway Company's (BNSF) request to withdraw its petition for an exemption to WAC 480-60-050 related to the above cited matter. BNSF is voluntarily withdrawing our request for a waiver based upon our understanding that this location is grandfathered and as such is not subject to the clearance standard.

Thank you for your assistance with this petition. Please contact me if you need additional information to complete this matter.

Respectfully,

Daniel MacDonald
